Notes:

(1) The Company specifies that only those members registered on the Company's register of members at close of business on 27 July 2018 or if this Annual General Meeting is adjourned, at close of business on the day two days prior to the adjourned meeting shall be entitled to attend and vote at the Annual General Meeting.

(2) If you are a member of the Company at the time set out in note 1 above, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the General Meeting and you should have received a Proxy Form with this notice. You can only appoint a proxy using the procedures set out in these notes and the notes to the Proxy Form.

(3) A proxy does not need to be a member of the Company but must attend the Annual General Meeting to represent you. Details of how to appoint the chairman of the Annual General Meeting or another person as your proxy using the Proxy Form are set out in the notes to the Proxy Form. If you wish your proxy to speak on your behalf at the Annual General Meeting you will need to appoint your own choice of proxy (not the chairman) and give your instructions directly to them.

(4) You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please contact the Company's registrars at the address set out in note 5.

(5) The notes to the Proxy Form explain how to direct your proxy how to vote on each resolution or withhold their vote.

To appoint a proxy using the Proxy Form, the Proxy Form must be:

(a) completed and signed;

(b) sent or delivered to Link Asset Services, PXS1, 34 Beckenham Road, Kent BR3 4ZF; and

(c) received by LinkAsset Services, at the address provided in paragraph 5(b) above no later than 11am on 27 July 2018.

In the case of a member which is a company, the Proxy Form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the Proxy Form is signed (or a duly certified copy of such power or authority) must be included with the Proxy Form.

(6) In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).

(7) To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut off time will be disregarded.

Where you have appointed a proxy using the hardcopy proxy form and would like to change the instructions using another hardcopy proxy form, please contact Link Registrars at the address noted in note 5 above.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

(8) In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Link Asset Services at PXS1, 34 Beckenham Road, Kent, BR3 4ZF. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

The revocation notice must be received by Link Asset Services no later than 11am on 27 July 2018.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Appointment of a proxy does not preclude you from attending the Annual General Meeting and voting in person. If you have appointed a proxy and attend the Annual General Meeting in person, your proxy appointment will automatically be terminated.

(9) A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises power over the same share.

(10) Voting on all resolutions will be conducted by way of a poll rather than on a show of hands.

(11) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on Tuesday 31 July 2018 at 11am and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company's agent, Link Registrars Limited (CREST Participant ID: RA10), no later than 48 hours before the time appointed for the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsor or voting service provider should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsor or voting service provider are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
